

SPORTident pCard

June 2016

The SPORTident pCard is fully compatible with the SPORTident system. It supports fast data transfer and easy handling. With these features the SPORTident pCard is an ideal solution for outdoor sports and corporate activities.

The SPORTident pCard offers the possibility of a customised full colour imprint on both sides. This supports a close adaption to very specific needs, e.g. printing the logo of sponsors (minimum number of 50 cards).

- Passive SI-Card for many outdoor sports and tourism
- High data transfer speed, easy handling
- The possibility to store all relevant data of the card holder like first name, surname, address, telefon number, email, club
